Mangum Manor Entrance Sign Removed Temporarily

Due to ongoing construction along 290 and the adjacent roadways, the first 2 esplanades on Antoine northward from the highway will soon be demolished and paved over with temporary roadways while the new permanent ones are built. David Grissett and Scott Lewis dug up the Mangum Manor sign and a commemoration marker super, super early last Saturday to preserve them during the construction. Unfortunately, the wooden end-posts of the sign had rotted thoroughly after years of service. The civic club is considering replacing them with engineered wood as well as a fresh coat of paint when it is time to return the signs to Antoine following the completion of construction in that area sometime next year.

- **President:** Leads and helps organize the civic club and its activities
- **Vice President:** Acts as second set of hands for the President and, if necessary, assumes role if the President vacates office or can't get a babysitter.
- **Secretary:** Takes and maintains official meeting notes from the general meetings and board meetings.
- **Treasurer:** Oversees the financial matters of the civic club, including depositing payments to the club as well as disbursing funds for expenses.
- **Section Representative:** Act as board members and help conduct civic club activities and provide updates on sections. There are 2 representative positions per section.

Whether you haven't been to a civic club meeting in ages or just moved into the neighborhood, you are part of Mangum Manor and can help make it a better place by giving your time.

Metro to Sell Former 290/Pinemont Park and Ride Property

Following the closure of the 290/Pinemont Park and Ride earlier this year, Metro has put the 14.8 acre parcel of land up for sale. So far, the Houston Housing Authority has been on track to be the buyer, pending Metro board approval, and plans to build a 300-unit public housing development. The adjacent community, Forest West, as well as other nearby neighborhoods, including Mangum Manor, have begun watching the developments closely, communicating together to consider possible actions and providing feedback to local elected officials. HHA has already mentioned it may use power of eminent domain to get the land. Forest West HOA leaders have organized a Town Hall meeting for April 16 at 7PM at Advent Lutheran Church, 5820 Pinemont, in the Life Center at the East end of the campus.

Citizen Patrol Program

It is never too late to volunteer for the Citizen Patrol Program. Trainings are held throughout the entire year. If you would like info about how to make Mangum Manor more safe, please email Jessi Heiner at j.h@aggiemail.usu.edu

Gasper Michael DeGeorge

Gasper Michael DeGeorge (1930 – 2015), third generation Houstonian, passed away on Wednesday, the 25th of February 2015, peacefully at his home with his daughters at his side. He was born on the 13th of July 1930, to the late Gasper Michael DeGeorge, Sr. and Josephine Pinto DeGeorge Lamantia. He had a long diversified career. As a very young man in the early 50's he owned the first private nightclub in Houston and the Marquis Lounge in the historic West Gray shopping center. He maintained his Texas Real Estate Broker License for over 60 years and was honored in 2005 as holding one of the oldest licenses in the State of Texas. After his marriage and subsequent fatherhood a career shift was made to follow in his father's footsteps as a visionary and developer of residential and commercial properties. As an award winning residential builder, he notably developed Mangum Manor and Mangum Plaza. Additionally he developed and built many office buildings, apartment complexes and churches in the Houston and Dallas areas. In the 1970's he continued custom home building in West and North Houston.

Easter Egg Hunt

The civic club held its annual Easter Egg Hunt in Mangum Manor Park on Saturday morning eggsactly the weekend prior to Easter. The long grass from lack of mowing actually made for eggsellent egg-hiding by the Easter Bunny and his neighborhood volunteer helpers. Several hundred eggs were eggspertly hidden with candy, toys and prize tickets inside across the park, separated into two areas for small kids and big kids. Roughly 40 kids and parents had an eggsighting time!

Many people helped make this a fun family event. That is what makes the community wonderful. Special thanks to all the volunteers and eggspecially Bronwyn Lauder for donating 3 tickets to the Bayou City Arts Festival as a grand prize.

Nine New Trees in Mangum Manor Park

On February 21, 2015, about 25 volunteer Mangum Manor residents gathered to plant 9 new trees in Mangum Manor Park. This project could not have been done without the amazing strong hands of our community and especially David Grissett and Jessi Heiner for planning and organizing with the City of Houston Parks & Recreation Department. Additionally, special thanks go out to the City of Houston Parks & Recreation Department and Trees for Houston who donated and delivered all 9 trees. The trees were planted all around the playground and some of the picnic table area. With some years of good rain and sunshine these trees will soon grow to shade the area once more.
