

Panhandling on Antoine

Panhandling at the corner of Antoine and 290 is a common activity and can evoke a variety of opinions if you ask enough people. Suffice it say, the people who are panhandling need help, be it substance abuse or psychological counseling, economic opportunities or relocation or some other form of assistance or intervention.

Some tips from MD Anderson Hospital:

- Panhandlers more commonly target women
- In Houston, a license to solicit money is required
- Aggressive panhandling is illegal.
- Panhandlers are rarely homeless
- Best way to help those in need is to donate to charities
- Street performers and vendors with permits are not panhandlers
- Most panhandlers suffer from drug or alcohol addiction and giving them spare change only enables the addictions.

Panhandling is a crime in Houston if:

- Within 8 feet of an ATM, pay telephone, parking meter, parking fee collection box, transit facility(bus stop) or fuel dispensing device(gas station)
- Within a distance of eight feet is prohibited everywhere else after a request is made to discontinue the panhandling.
- Soliciting a contribution without a tax permit.
- Being in the roadway without a safety vest and/or when there is a sidewalk on the same side of the street.
- To report non-emergency or passive panhandling you can call Houston Police Non-Emergency at: 713-884-3131
